

Each year kids at Camp Hazen YMCA truly do have life changing experiences. Many have never been to a forest or seen the wonders of nature. Over 1300 kids attend our summer programs, and hundreds more come throughout the year.

Kids learn and grow so much at Camp Hazen YMCA - it's a priceless experience. Helping them grow into successful adults is at the heart of our 2007 Strong Kids Campaign. Kids have positive role models in our caring counselors, participate in programs that teach life skills, and they find safety, security and hope in camp's beautiful natural setting. Each year camp serves more kids and each year our need for financial assistance dollars increases. We believe everyone should have the opportunity to experience Camp Hazen YMCA.

Caring & Committed Staff

The Camp Hazen YMCA staff is the key to a life-changing experience for a child. Every

day, our staff not only teach program skills, but help children and teens build relationships, develop tolerance, and learn to resolve conflicts in a healthy way.

A Safe Place

Camp Hazen YMCA is reaching out in many ways, including opening the doors for children and teens in your community that need a safe place to be with friends, develop healthy relationships, and interact with strong adult role models. No child in need is ever tuned away from Camp Hazen YMCA.

Please Give

Through the support raised by the Strong Kids Campaign, Camp Hazen YMCA reaches out to children and families throughout the community to provide opportunities that they might never

otherwise have. Your support provides the funds needed to make these programs available, providing the recreational, learning and life-enhancing experiences that build strong kids, strong families and strong communities.

Strong Kids Campaign

All around us we see the images of children in need. These needs come in many forms - from food, clothing and shelter, to guidance and support. Through our programs, Camp Hazen YMCA is committed to improving the lives of the children and their families in our communities by providing safe places, caring and trained staff, and programs that teach life skills. Whether it's a place to meet new friends, to spend time in the out-of-doors, to learn leadership skills, or a place for a family to play and connect, Camp Hazen YMCA is there.

Programs That Teach Life Skills

Resident Camp, Day Camp, Teen Trips, Leadership Programs, and Vacation Camp are just a few of the programs that Hazen offers to help build strong kids. Lessons in feeling valued and empowered, learning boundaries and expectations, using time constructively, and developing strong, positive values are present in Hazen programs, as well as skill development, and, of course, fun.

Every gift counts, because every dollar raised goes directly towards the needs of a child. You can make a difference. Please give generously.
