

Camp Hazen YMCA
We Build Strong Kids

Each year kids at Camp Hazen YMCA truly do have life changing experiences. Many have never been to a forest or seen the wonders of nature. Over 1500 kids attend our summer programs, and hundreds more come throughout the year.

Kids learn to grow so much at Camp Hazen YMCA - it's a priceless experience. Building strong kids and helping them grown into successful adults is at the heart of our 2010 Climb - A - Thon program. Kids have positive role models in our caring counselors, participate in programs that teach life skills, and they find safety, security and hope in camp's beautiful natural setting. Each year camp serves more kids and each year our need for financial assistance dollars increases. We believe everyone should have the opportunity to experience Camp Hazen YMCA.

Why Donate Your Time and Energy?

The experience the children have while at camp is second to none. It is an environment where they feel safe, secure and accepted. While at camp, children learn life skills that will help them grow into caring, honest, responsible and respectful adults.

Often, the children who most need our help building a bright future aren't able to afford the camp fees. Each summer, camp provides funds for more than 200 deserving children to attend camp. In addition, we realize that all children are at risk today, and can benefit from a caring, supportive and nurturing environment.
